## ZOO-MING ALONG

Milwaukee County Executive Scott Walker joins County Zoo and U.S. Bank officials at Tuesday night's groundbreaking for the \$5 million U.S. Bank Gathering Place. The project will create a new entrance to the zoo with an enclosed atrium with shops and restaurants, plus meeting space for conventions. The project is the final piece of the zoo's 10-year construction program, and officials are working on a new plan to guide future capital improvements.
